

K-12 Classroom Teacher Grant

Grants to USA Educators for Classroom Projects Related to Air and Space Travel

GrantWatch ID#: 172664

Agency Type: Foundation / Corporation

Funding Source: Society of Aviation and Flight Educators (SAFE)

Deadline: 08/31/20

Conf. Date: 00/00/00

Description: Grants of \$500 to USA educators for classroom projects and lessons related to aviation. Eligible applicants are private, charter, and public school K-12 teachers, homeschooling cooperatives, and STEM coordinators. Grant funds may be used to defray the costs of transportation, field trips, materials, or to fund another type of project with an aviation or aerospace theme.

Full Description:

The Society of Aviation & Flight Educators, Inc.(SAFE) is offering grants designed to encourage K-12 classroom teachers to incorporate aviation-themed lessons into their normal curriculum. Aviation and aerospace topics are the perfect adjunct for teaching science, math, history, and even art. Aviation and aerospace are topics that generate enthusiasm with all types of learners and all ages of students.

An individual teacher or a group of teachers from the same school may apply for a grant to design an aviation-themed classroom unit or complete an aviation-themed project. For example, a SAFE grant could be used to pay for a bus and admission fees to take students to visit an aviation museum, go on a field trip to the local airport, buy materials to build a balsa wood glider or model rocket, or fund another type of project with an aviation or aerospace theme.

Number of Grants: Four SAFE grants will be awarded. Two grants will be for teachers in Grades K-7 and two grant will be for teachers in Grades 8-12.

Estimated Size of Grant: The maximum allowable amount for each grant is \$500.

Term of Contract: Grants must be used within one year of the award.

Eligibility:

- See RFP and/or Grant Guidelines for full eligibility

Additional Eligibility Criteria:

Any credentialed teacher in a public, private, or charter school may apply for a grant. Local STEM coordinators and homeschooling cooperatives may also apply for a grant.

Pre-Application Information: The application deadline is August 31 of every year.
